John Walters, Now Dead, and Two Others Attempt to Rob Read's Drug Store.

John Walters, twenty-nine years old, 1314 14th street, was shot to death early today in a pistol battle in which he and two companions and Policeman John Scriola of the ninta precinct, aided by two others, participated following the discovery of an attempted burglary of Dr. Charles C. Read's drug store, at 11th and B streets northeast. Walters was killed while attempting to speed away in an automobile after the initial ex-

an automobile after the limital ex-change of shots.

Arthur Lee Bennett, who lived with Walters, is held for investigation at the ninth precinct. He was arrested when he attempted to take Walters' place at the steering wheel of the car in an effort to get away. The third man of the party escaped by jumping from the machine. Auto Believed to Have Been Stolen.

At about 3:40 a.m. an automobile—believed incidentally by the police to have been stolen from Charles Turner, 21 6th street northeast, on March 14—stopped at the side of the commer drug store and three men stenared out. stepped out.

Light from a nearby lamppost betrayed their attempt to break into the store. A Jimmy had already broken the side window from its fastenings and entry was being made, it is believed, when a woman's scream interrupted the men. Shots of the window generate the street, between the street is the street in the stre from a window across the street, be-lieved to have been fired by John H. Grove, at 204 11th street, followed. At this juncture Policeman Scriola and Special Officer Patrick Sheehan came up at a run on opposite sides of the street. The machine swerved out, with the three men in it, and attempted to speed past. Suddenly Walters slumped from his driver's seat to the floor of the car, shot in

Bennett hopped to the seat and took charge of the car. The third man jumped to the street and took to his heels. Scriola. In the meantime, had boarded the automobile and, standing on the runing board, pointed his pistol at Bennett's head. The car sped from C street to H street before stopping.

Bennett was ordered to proceed to Casualty Hospital, where Walters was tronounced dead. tronounced dead.

Two Revolvers Found in Car. In looking over the machine after the shooting two .45 revolvers were found, one of them an automatic and another the old style, ram-rod ejector type. On the floor of the rear seat were ammunition for the pisiol, four raps of various colors, bar irons and

Virginia tags for the machine.

The incident early today is believed by the police to have furnished lieved by the police to have furnished a clue to other recent robberies. The store of Awrach & Perl. near 18th street and Columbia road, was held up and robbed of approximately \$760 a week ago Sunday morning about 1 o'clock by men answering the description of the principals of this case. Several similar robberies are now being investigated for possible connection with the present case. Probing for Evidence.

Mrs. Alma Waters, wife of the man who was killed, was questioned at the ninth precinct this morning. She married Walters two years ago, and, it is believed by the police, was not aware of the full scope of his activities. Andrew Franklin Lewis, nineteen years old, of 1461 Broadway. Brooklyn, stopping with the Walters, also was questioned today.

The eight-month-old baby of Walters and was described as well as w ters died exactly one week ago. While a policeman was arriving at the house to notify Mrs. Walters she was wanted for information as to her husband's movements a messenger also was arriving with flowers from her parents out of town in memory of the death of the child.

STATE BUILDING WASHED.

Fire Department Turns Hose on

Granite-Window Smashed. Heavy streams of water were played on the State. War and Navy building this morning by the District fire department with great benefit to the general appearance of the big granter structure. It was its annual bath general appearance of the big granite structure. It was its annual bath. The only untoward incident was the breaking of a window on the second floor of the east wing and the consequent soaking of some ancient records in the passport division. The room invaded by the water was occupied by Admiral Benson when he was chief of naval operations during the world war, and since transferred to the State Department.

About Your Roof

(1) The creation within it of a bureau of foreign commerce to take over the duties now performed by the office of foreign trade advisor, the bureau of foreign and domestic commerce of the Department of Commerce, and the division of foreign markets of the bureau of markets. United States Department of Agriculture.

(2) The creation of a bureau of By the Associated Press.

NEW ORLEANS, May 23.—The entire crew of the Shipping Board steamer Hadnot, anchored in the cless, and of the Interior Department. local harbor, was forcibly removed in respect to the supervision of the

(3) The creation of a bureau of international organizations to have in general charge the interests of the United States in the several interna-tional unions, conferences and other bodies of which the national government is a member and toward the support of which it makes financial contributions.

Foreign Relations Service.

(4) The possible consolidation of the diplomatic and consular services into a single foreign relations service.

One: The proposed creation of the bureau of foreign commerce was outlined in an article on the editorial page of The Sunday Star, under the caption, "To Weld Trade and Diplomacy."

Two: In regard to the creation of a bureau of territories and dependencies, it is pointed out that at the present time the national government exercises

John J. Rogers of Massachusetts, a member of the foreign affairs committee. Careful consideration of that lie is urged in the recommendations of the Institute for Government Research to the joint congressional committee on reorganization.

The skeleton of the various offices which it is proposed to co-ordinate under the State Department is as follows: time the national government exercises ! bia, the territories of Alaska and Hathird assistant secretary, director of waii, the insular dependencies of the consular service. during the period May 1 to May 22. | Waii, the insular dependencies of the Philippines, Porto Rico, the Virgin Islands, Tutuilae or American Samoa, Guam and a few other smaller islands, such as Wake Islands, Midway Islands, etc., and the Panama canal and Canal Zone. Important as is this territory, it is not sufficiently extensive to warrant

Position in Program

The position taken by the institute tional agencies. Funeral Services for Man and Wife (1) That there is need for a service that will have general charge of the affairs of all the territories and de-

ward Gorney and wife, who met their death Saturday morning, in the Chesapeake and Ohio canal when their canoe capsized, were held today at 2 o'clock, at the chapel of W. R. Pumphrey & Sons, undertakers, at Rockville.

Rev. P. Rowland Wagner of the Baptist Church, conducted the services. The bodies will be sent to the home of the couple at Shenandoah, Pa.

Two young sons of the couple, one aged nine months and the other four aged nine months aged nine months aged nine months and the other four aged nine months aged

doah, Pa.

Two young sons of the couple, one aged nine months and the other four years, are at the home of Mrs. Minnie King, 809 9th street, oblivious of the fate of their parents. It was with Mrs. King that Mrs. Gorney stayed during her short visit here.

The children will be cared for by Gorney's relatives in Pennsylvania.

Until comparatively recent years the umbrella was a distinctive badge of monarchs and nobles, and today the King of Siam bears as one of his tary character.

tary character.
(5) That the arrangement under which the Department of the Interior

now has a jurisdiction over the ter-ritories as distinguished from the de-pendencies is an unsatisfactory one. (6) That a great improvement would result by having concentrated in one service all functions of a general supervisory and control character over dependent territory of all kinds.

Would Relieve Departments. 7. That an equally important im-

provement would result by relieving the War and Interior departments of duties in ne way garmene to their other and more primary functions It will be noted that the action

disting the plan were dependent of the plan were presented in the first article, printed in year-grant and the concentration of the plan were presented in the first article, printed in year-grant and the concentration of the plan were presented in the first article, printed in year-grant and the concentration of the plan were presented in the first article, printed in year-grant and the concentration of the plan were presented in the first article, printed in year-grant and the concentration of the plan were presented in the first article, printed in year-grant and the concentration of the plan were presented in the first article, printed in year-grant and the concentration of the printed in year-grant in the contrary of the printed in year-grant in the number of existing printed in year-grant in the contrary of the printed in year-grant in the contrary of the printed in year-grant in the number of existing printed in year-grant in the number of existing the family indicated in the respect to the printed in year-grant in the number of existing the family indicated in the number of existing the f

desired by the various unions or con-ferences and thus prevent expensive duniteation of work.

Four: In regard to the possible consolidation of the diplomatic and consular services, the institute em-phasizes that careful consideration whould be given to the possible dephasizes that careful consideration should be given to the pessible desirability of combining two fle'd the tablishments into a ringle service. Notwithstanding the fact that these two services are operating in the same field, have jurisdiction which overlaps in a number of places, and have constant need of each other's assistance, they now constitute rigidly segregated services. In popular opin-

segregated services. In nonular opin-ion the duties of the diplomatic serv-ice are primarily, if not exclusively. political, and those of the consular service commercial and administrative. This is a mistake. To a very large degree the duties of diplomatic officers have to do with purely trade matters, while the responsibilities of consular officers in present to no

consular officers in respect to po-litical matters are by no means slight. Provided For in Bill.

A bill providing for such consolidaion was introduced in the Sixtysixth Congress by Representative John J. Rogers of Massachusetts, a
